

Canadian Security Association Scholarship Program 2019

KEY DATES:

Applications accepted as of
January 1, 2019

Application Deadline:
April 1, 2019

Awards Announcement:
April 24, 2019

The Canadian Security Association (CANASA) recognizes the importance of a post-secondary education to both the security industry and to society in general. CANASA understands that tuition fees can sometimes be a financial burden, which is why the Scholarship Program was created.

The goal of the Scholarship Program is to benefit students and members who wish to fund their education and careers in the security industry in Canada.

Thirteen (13) \$1,000 scholarships will be awarded with one scholarship awarded for each region and to students enrolled in approved security programs at schools in the provinces of British Columbia, Quebec and Nova Scotia.

Scholarships will assist post-secondary students and those members that are working towards obtaining a degree, diploma, or certification at any University, College, or post-secondary institution.

Please visit canasa.org for the official rules and regulations.

2018 Scholarship Winners
